

July 1, 2025

Dear Friend of Lake Hopatcong,

The Lake Hopatcong Foundation's Lake Loop Challenge returns to Hopatcong State Park on Sunday, October 5, 2025, offering our community a chance to get active, have fun, and raise funds to help us make Lake Hopatcong the best it can be. Participants can "choose their challenge" and bike, hike, or paddle in support of a vibrant, healthy lake and community.

We invite you to become a sponsor of this annual recreation opportunity and fundraiser, which helps us continue our efforts to protect and improve New Jersey's largest lake, through our many programs and initiatives in the areas of environment, education, community, and advocacy. Please review the many sponsorship opportunities enclosed and consider taking part in the event with your coworkers for a fun day of team building!

Lake Loop participants can choose between riding a scenic 62-, 40-, or 20-mile bike course around the lake; hiking the trails at Hopatcong State Park; or paddling a 2.5- or 4-mile course on the lake. All participants will receive a commemorative t-shirt and are invited to join us for complimentary food, refreshments, and live music after their activity! Awards will be given out to the individual and team that raise the most funds to support our efforts to foster a vibrant and healthy lake and community.

You can find more information on the Lake Loop Challenge and how you or your company can participate at lakeloop.org. Please don't hesitate to email me at Caitlin@lakehopatcongfoundation.org or email our event coordinator, Kari Constantine, at Kari@lakehopatcongfoundation.org, or call us at 973-663-2500 with any questions.

Thank you for your consideration!

Warmly,

A handwritten signature in black ink that reads "Caitlin Doran".

Please complete and email to Caitlin Doran: caitlin@lakehopatcongfoundation.org

LAKE HOPATCONG
FOUNDATION

PROTECTING THE ENVIRONMENT AND ENHANCING THE EXPERIENCE ON NEW JERSEY'S LARGEST LAKE, FOR THIS AND FUTURE GENERATIONS.

ENVIRONMENT

Protecting the lake environment with programs that center around improving water quality and preventing the spread of invasive aquatic species.

EDUCATION

Providing educational cruises and student field trips centered on the ecology and stewardship of Lake Hopatcong, and promoting ways to protect our shared water resources.

COMMUNITY

Bringing the lake community together through recreational and community events, like the Lake Hopatcong Block Party and community programming.

ADVOCACY

Serving as Lake Hopatcong's full-time advocate, collaborating with federal, state, county, and municipal leaders to secure additional support and resources for the lake.
